EZVideo doesn't require a special box or new installation — it works with the devices you already own, and your PEAK Internet connection! Check out our supported devices below. Chances are, you already own one or more!

- Amazon Cube | Amazon Fire Stick | Amazon Fire TV: 1st, 2nd, 3rd Generations | Android TV: Devices running Android 5.1 or later
- Apple TV: 4th or 5th Generations | Smartphones and Tablets: Latest Android (5.1) and iOS (10) versions required
- Web Browsers: Chrome, IE 11 or Edge, Firefox, and Safari

\*A Broadcast Programming Fee of \$16.53 – \$18.35 is added to each video account and is included in the advertised pricing. This is a pass-through surcharge of the amount bill to PEAK Internet by most of the local Portland and Eugene broadcast TV stations. Prices are subject to change. Use of the EZVideo product requires users to be customers of PEAK Internet. Premium installation is available – call us for details. Replay and Restart TV are dependent of network transmission permissions. All product and company names mentioned in the EZVideo piece are trademarks or registered trademarks of their respective holders. Use of them does not imply any affiliation or endorsement by them.
